

HI-PHITE™

0-60*-0 PHOSPHITE FERTILIZER

F1898

<p style="text-align: center;">Guaranteed Analysis</p> <p>Total Phosphoric Acid (P₂O₅).....60.0%</p> <p>Derived From: Phosphorous Acid.</p>	<p>*General Information</p> <p>AGRO-PHITE 0-60*-0 is a Phosphorous acid-based nutrient solution intended to be used as a supplemental treatment to a regular fertility program and will not supply the total nutrients required by a crop. Upon foliar application, the phosphite ions are taken up directly by the plant foliage and may undergo a degree of conversion to phosphate ions, or will be used directly by plants as phosphite ions. As a soil application to annual crops, a lesser response from the initial crop, with a corresponding superior response from subsequent crops, may be observed. In addition, placement close to seeds or root zones may be injurious to crops. The effect may be aggravated by a soil pH below 6.5.</p>														
	<p>FOLIAR-APPLIED: HI-PHITE IS NOT INTENDED FOR FOLIAR USE.</p> <p>SOIL-APPLIED: the best application practice for HI-PHITE is to water the crop with any available means, by drip irrigation or side dressing, and to add the product toward the end to allow it to penetrate the soil and to remain in the root zone.</p> <p>MIXING INSTRUCTIONS: HI-PHITE is compatible with most liquid fertilizers and chemicals. Always perform a jar test for compatibility prior to mixing. Follow all directions and precautions on pesticide labels prior to mixing. Ensure adequate agitation in all situations. Use only according to the label instructions.</p>	<table border="1"> <thead> <tr> <th>Crop</th> <th>Suggested SOIL Rates Every 2-3 Weeks</th> </tr> </thead> <tbody> <tr> <td>Vegetables & Fruits</td> <td>1 to 2 quarts / acre</td> </tr> <tr> <td>Tree Crops, Vine & Citrus</td> <td>1 to 2 quarts / acre</td> </tr> <tr> <td>Berries</td> <td>1 to 2 quarts / acre</td> </tr> <tr> <td>Field Crops</td> <td>1 to 2 quarts / acre</td> </tr> <tr> <td>Lawn and Turf</td> <td>0.5 to 3 oz / 1000 sq ft</td> </tr> <tr> <td>Ornamentals, Shrubs & Flowers</td> <td>0.5 to 1 oz per shrub or tree</td> </tr> </tbody> </table>	Crop	Suggested SOIL Rates Every 2-3 Weeks	Vegetables & Fruits	1 to 2 quarts / acre	Tree Crops, Vine & Citrus	1 to 2 quarts / acre	Berries	1 to 2 quarts / acre	Field Crops	1 to 2 quarts / acre	Lawn and Turf	0.5 to 3 oz / 1000 sq ft	Ornamentals, Shrubs & Flowers
Crop	Suggested SOIL Rates Every 2-3 Weeks														
Vegetables & Fruits	1 to 2 quarts / acre														
Tree Crops, Vine & Citrus	1 to 2 quarts / acre														
Berries	1 to 2 quarts / acre														
Field Crops	1 to 2 quarts / acre														
Lawn and Turf	0.5 to 3 oz / 1000 sq ft														
Ornamentals, Shrubs & Flowers	0.5 to 1 oz per shrub or tree														

WARNING: This product is **FOR PROFESSIONAL USE ONLY!**

CAUTION: PLEASE KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing in spray mist. May cause irritation of nose, throat or skin. Avoid contact with eyes, skin and clothing. In case of contact with skin or eyes, flush with plenty of water.

CAUTION: Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and garden, and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn/garden.

Condition of Sales and Warranty: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of factors including, but not limited to, weather conditions, presence of other materials, or the manner of use or application, which are beyond the control of AgroPlantae, Inc. or the Seller. All such risks shall be assumed by the Buyer. AgroPlantae, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. AgroPlantae, Inc. makes no express or implied warranty of Fitness For Particular Purpose or Merchantability or any other express or implied warranty, other than such warranties expressly provided here. In no case shall AgroPlantae, Inc. or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. AgroPlantae, Inc. and the Seller offer this product, and the Buyer and user accept, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of AgroPlantae, Inc.

DANGER:

Harmful if swallowed
May be harmful in contact with skin
Causes severe skin burns and eye damage
May be harmful if inhaled
May be corrosive to metals

WARNING:
